

# Extending Less with Plugins

---

**Shawn Wildermuth**

MICROSOFT MVP, AUTHOR AND SPEAKER

@shawnwildermuth wilderminds.com

Less supports  
Plugins

**Ecosystem for extending Less**  
**Building Plugins is as easy as writing JS**  
**Used to build domain specific functions**

# Demo

## Using Plugins

# Demo

## Creating a Plugin

## What We've Learned

**Plugins can be used to extend Less**

**Writing your own is simple**

**Write your own functions as a Plugin**
